## Welcome Message

**Dear Partners,**

The Emirates Dermatology Society (EDS) recognizes that progress in dermatology treatment depends on partnering between dermatology and healthcare industry and the healthcare providers.

EDS Conference is the opportunity for pharmaceutical, device and healthcare product manufacturers to launch new products, present research findings and communicate in person with their targeted audience: decision makers, healthcare providers, researchers and practitioners to share expertise, and learn about the innovative educational techniques, and to network with their peers. The designed program will be very informative and will attract professionals from the Gulf area.

The Conference will be held at InterContinental Dubai - Festival City. The Hotel is located in the Sheikh Zayed Road district in Dubai, at the Dubai Water Canal, 2.5 km from Burj Khalifa. The hotel is also directly connected to La Perle by Dragone water theater, the region's first permanent show inspired by the spirit of Dubai.

On behalf of the committee, I invite you to be one of the pioneers to support EDS Conference in its ninth edition. EDSC 2025 promises to be the cornerstone and foundation for an international scientific meeting place, and to be the core of dermatology studies.

**Sincerely,**

**Dr. Ayman Alnaeem**  
President of Emirates Dermatology Society

Dubai has an arid desert climate- extremely hot and humid in summer, pleasantly warm in the winter. Although the fierceness of the summer heat starts to decline during October and November, days are still hot with temperatures usually in the 30's Centigrade (80's Fahrenheit), so good for sunbathing on a beach or relaxing around the pool.

The evenings are pleasant November there is no need for coats or pullovers if you are outside, but a pullover or wrap is useful for the coolness of air conditioned interiors. You are extremely unlikely to see any rain during your stay, just 12 hours of sunshine.

### Getting Around

The emirate embraces a wide variety of scenery in a very small area. In a single day, the tourist can experience everything from rugged mountains and awe-inspiring sand dunes to sandy beaches and lush green parks, from dusty villages to luxurious residential districts and from ancient houses with wind towers to ultra-modern shopping malls.

Dubai International Airport is served by many international carriers including the awarded national airline "Emirates". The airport is around 15 minutes drive from the city centre and 10 minutes drive from the conference hotel.
